Please be advised that I, Costa Provis, am providing services to you as a therapist in private practice. I have an agreement with 2SC to conduct various marketing efforts on my behalf, although I am not an employee of and do not work for 2SC. Therefore, 2SC may list me on some of its marketing materials as an "Alliance Counselor". 2SC is in no way responsible for and cannot attest to the quality, or lack thereof, of any services that I provide you during the lifespan of our professional relationship. You (as the client) agree that you, or any representative acting on your behalf, will not at any time bring any legal action(s) against 2SC or any of its representatives for services that I provide you. By signing your name below, you signify that you understand and agree with this litigation limitation and waiver of legal rights regarding 2SC or any of its representatives.
